

Lance Knight - Ivoclar Vivadent Lecturer

Dr Lance Knight qualified from the University Of Manchester with Distinction and Honours in 2001 and immediately went into private practice in Manchester City Centre where he developed a keen interest in Cosmetic Dentistry.

Lance has always had a passion for the aesthetic side of dentistry and he developed his skills in Cosmetic short term and long term orthodontics, With Invisalign being his preferred treatment option.

More recently Lance has introduced digital workflows via the ITerO Intra Oral scanning system, to further enhance his multi-disciplinary approach to treating patients.
